My signature above affirms that I have been informed of the purpose of the upcoming meeting which is to elect five (5) Class A members to the Board of Directors. I understand whether I assign my proxy for quorum only or for voting and quorum or if I vote by ballot on my own behalf, the proxy or ballot will count toward the needed quorum. If I assign my Proxy for voting and quorum then my Proxy holder will need to complete the ballot and return it with the Proxy to be counted. I understand that if I complete the ballot and return it, no assignment of Proxy is needed. I acknowledge that Owners of record will be notified by E-Mail and results will be posted on the Association's Website after the Annual Election Meeting is held on January 4, 2023, so long as the proper quorum is met. I understand there will be no write-in candidates or floor nominations and this Ballot must be returned no later than January 3, 2023, by 5:00 p.m. for the Candidates I or my/our proxy has chosen to be considered. I understand a list of the voting members is available on the Association's website under the Annual Meeting Documents tab.
